

About Taminco

Taminco, The Amine Company, is the world's only global integrated specialist alkylamine producer. Alkylamines and their derivatives are key building blocks in a broad array of chemical products that have a wide range of applications. Taminco makes a valuable contribution to diverse markets including Agriculture, Personal and Home Care, Energy and Water Treatment. Focusing on its 3 core values — "Passion, Care and Integrity" — Taminco works constructively towards a sustainable and innovative future. Headquartered in Ghent, Belgium, Taminco owns and operates 7 manufacturing facilities located in Belgium, Germany, the United States and China and, together with its global sales network, has approximately 850 employees spread across 20 countries.
