

The background is a solid light blue color. It features several faint, technical-style diagrams. On the left side, there is a vertical scale with numerical markings from 140 to 260 in increments of 10. To the right of the scale, there are several circular diagrams. Some consist of concentric circles with arrows indicating a clockwise or counter-clockwise direction. Others are more complex, resembling partial views of gears or mechanical components with various lines and curves. The overall aesthetic is clean and technical.
